

About Ternus

Ternus Inc. is a real estate investment finance company dedicated to serving investors with fast, transparent, and investor-aligned capital solutions. Through its wholly owned subsidiary, Ternus Lending, LLC, the company provides mortgage products designed to support investors in acquiring, refinancing, and scaling portfolios of one-to-four-family residential investment properties.

At Ternus, we are committed to our mission: “We are the Investors’ Lender. We partner with real estate investors to provide fast, reliable capital so that they can build wealth and create a legacy.”
